Preview text:	
Email copy:	**Hey, Alex here.** $100M Money Models - my new book - is coming out on **Aug 16th, 2025**. **Register for the free live book launch extravaganza PLUS preorder your copy here.** I started writing this when I was preparing for my first big exit (in 2020). I wanted to crystallize all my highest ROI "money models" in one place. Once I had all my money models in one place, I ended up using them all the time. It became my most used asset for growing companies. I reference it so regularly because a **money model** *is a series of offers deliberately structured to generate the most cash up front, get the most leads, and get the highest lifetime value*. Simply put - a well-designed money model gets more customers, to spend more money, faster, again and again. They are offer sequences - that *when combined* are so profitable - they are responsible for the vast majority of my material success. Nothing else comes close. That's when I realized all these money models could actually be organized into a single coherent, and unbelievably powerful 'cookbook' anyone could follow. $100M Money Models is my crowning achievement. Of all the content I've made, **this book will teach you the most.** I've been slaving away on this book in secret for over 4 years. If you are an aspiring entrepreneur and business owner, this book shows how to win. It's finally here. It's about to get real.

	Register for the launch here and preorder your copy (and get 4 amazing free bonuses the moment you do). Alex **THE BIGGEST PS OF ALL TIME** - btw…this launch took an extra year because I've also got something huge to give everyone. I can't tell you what it is, but I can tell you it's better than an NFT but less than a Bitcoin and every single person who shows up live gets one. More to follow… Be one of zero→**Register + preorder here link.**

	3) **Reminder:** I'm giving away the huge secret thing that's better than an NFT but less than a Bitcoin…but the only way you'll get it is by showing up live. This huge thing I'm giving away free to everyone who shows up live is why it took me an extra year to launch *$100M Money Models…but it'll be worth it.* That is all. 3) 35d: Money Model?

List	Full list
📅 Date	July, 13th
From Name	
Subject line:	What's a money model?
Email copy:	What's a Money Model? A **Money Model** is a series of offers deliberately structured to generate the most cash up front, get the most leads, and get your highest customer lifetime value. Period. In simpler terms it attracts more customers, gets them to spend more money, faster, over and over again. It capitalizes on the scientific principles of volume, intensity, latency, frequency–but weaponised for growing a business. A proper Money Models includes four parts: 1) **Attraction Offers:** to get the most leads 2) **Upsell Offers:** to get more *money* from them *faster*

3) **Downsell Offers:** to turn a “no” into a “yes” (even more sales)

4) **Continuity Offers:** to keep them buying again and again

It took me years to realize this - but every super successful business I’ve owned had all four parts perfectly sequenced. The ones that didn’t, weren’t super successful, and they were like most businesses…

Most businesses putter along with only 1 or 2 parts - but - the magic happens when you combine all the parts together.

With a properly designed Money Model…your business attracts the maximum amount of customers, maximizes profit and cash flow so you can outspend the competition, and builds stability in volatile markets with recurring revenue.

And the best part, the **Money Models in my new book work for any business, in any industry, of any size.**

I’ve been waiting for 6 years to unleash the insane power of Money Models - and the time has finally come.

$100M Money Models is coming out on **August 16th, 2025**.

So if you enjoyed $100M Offers, $100M Leads... or any of my free content, courses, or books I've put out over the last few years, **this is definitely for you**:

1) Register here free
2) And if you wanna win absurd prizes, refer friends for free.*

Thank you again, Alex

PS - for those of you wondering about my huge **secret giveaway** can’t tell you what it is yet, but I *can* tell you that it’s better than an NFT and less than a Bitcoin and every single person gets one (who shows up live).

PPS - Remember, to get my **Secret Giveaway** you have to:

1) Register **2) Show up live.** That’s it.

4) 28d: Pics

List	Full list
📅 Date	July 20th
Subject line:	[new pic] - shipment of books for you
Email copy:	Christmas has come early for entrepreneurs everywhere because... In just 28 days, I'm launching *$100M Money Models* - and - my "*Secret" Project…* To do it, we are going bigger than ever. We're figuratively and literally backing the truck up with books. This is the first of many, delivering to multiple warehouses across the country to prepare for the launch—*all filled to the brim*: Now why am I showing you this? **Because I need your help.** More specifically, my warehouse guys asked me to ask you for help.

Main reason: shipping 1 million books takes 1 million minutes (at 1 min per book that's 694 days or two full years of work for one man…*working 24 hours a day and not sleeping).*

So, if you help them out by pre-ordering a copy, I'll make it worth your while.

Because I'm putting my money where my mouth is. I'm really holding nothing back.

If you register and preorder a book, I'll upgrade you to VIP FOR FREE. That gets you:

✅Automatic entry to **win a day with Alex** in Vegas (you and 9 others)*.

✅A copy **guaranteed** (it's very likely we run out of the first-printing)

✅**Your copy first** (it takes a minute to ship out a million books - think about it)

✅ **A private VIP livestream "Backstage Pass"** (separate from the riff raff) with chat enabled to submit questions live to me & 5 mystery headliners.

✅ **$100M® LAUNCH Workshop**– revealing my proven process which will show you how you could launch anything yourself. I include the sensitive data and details. It's an additional live VIP exclusive virtual event. (Recording included)

Reminder: People who wait to get their copy at the event will pay the same price but don't get any of the VIP Benefits.

Here is the link to register & preorder.

There's no one I'd rather do this with.

Alex.

PS - We can only ship books as fast as we can pack them. **If you want to guarantee that you get yours, and get it before anyone else, pre-order it now**. If you do, you also help out the warehouse team. And for helping us out, I'll give you VIP access **at no extra charge.**

9) 7d: Did you miss this?

List	Full list
🗓️ Date	Saturday, August 9th, 2025.
Sub line:	Did you miss this?
Email copy:	We're 7 days away. A lot of people miss this... Every book in the $100M series has been a *meta book.* This means the book demonstrates tactics that actually work. **With $100M Offers -** is a book about making offers so good people feel stupid saying no…I put it on Kindle for .99 cents and made an Instagram post. But…it also came with *a full course*, *for free*, no optin required. So it grew on word of mouth alone. The offer for the book itself showed you how to make offers. **$100M Leads -** is all about advertising: ads, content, outreach, affiliates, employees, agencies, referrals. The works. And we used all of them to get over a more than a mid-sized city registered for a live event. The advertising for the book itself showed you how to advertise. **$100M Money Models** is all about making the right offers, in the right order, at the right time… *so you can monetize more customers, at higher prices, faster, over and over again.* Because if you can't monetize, nothing else matters. The Money Model for the book itself will show you how to create your own Money Models. **This is the most powerful book I've ever written - if we define power as the aggregate change in business owners lives.** Things are about to get interesting 😈 Expect fireworks. Alex

	P.S - To make sure you don't miss the event, get my free secret giveaway—it's better than an NFT and less than a Bitcoin…and every single person who shows up live gets it—all you have to do is… 1) **Register** 2) Show up live on **August 16th at 9am PT /12pm ET** See you in 7 days.

Email copy:	[Name], Sometimes it helps to see the numbers clearly. **What you'd normally pay:** ● 1 day with my team: $35k ● 1 day with me: $135k ● Total for 6 sessions: $1,020,000 **What you're paying:** ● 6 months of access: $18k ● **That's 98.2% off normal rates** But let's be realistic. It's virtual so you're not gonna be in person. But you get a lot more. (And if you have difficulty traveling, this might be a bigger benefit).

The value isn't just in my content or my team's expertise.
It's in the combination of everything happening simultaneously.
It’s awesome seeing things like**:**

→ Software company owners getting feedback on pricing from B2B service owners

→ E-commerce entrepreneurs connecting with our Director of Marketing and restructuring their entire funnel

→ Brick & mortar businesses sharing local attraction strategies

Experiences like these are what can make it so great because on top of that…

You get the intensives. You get the team access. You get the network. You get the deals. You get the tax strategies.

Most importantly, you get it all while everyone else is still building momentum together.

30 hours left until this closes Monday midnight.

I won't make this offer again. After Monday, the group is closed permanently.

→I’m doing this because I want to break the Guinness book record & get the books in the hands of every entrepreneur in the US (and eventually the world).

P.S. The tax strategies alone could save you the entire $18k investment. Not a promise of course, your specific circumstance will vary. I learned these after selling my company and doing tons of research on what I wish I'd known earlier. Now you get them upfront.

Email Copy	[Name], Yesterday I mentioned that you don't need anything expensive to win. To break beliefs about this, let me prove it to you. **Real Skool results from people who started with just the platform:** ● Cologne reviewer: Sells perfume through a free group ● Gym equipment expert: Sells equipment through a free group ● Acting Lessons: $15,961/month ● Calligraphy Teacher: $7,157/month To be clear, their results are not typical. The average group makes less than these ones. Your results will vary. But, they just had the right platform to execute. **Here's what they had access to:** A platform where everything works together. Content, community, payments, calendar - no juggling 15 different tools trying to make them talk to each other.

	Every business money model pre-built. Subscriptions, one-time offers, trials, memberships - just add your knowledge and start collecting money. **BUT…Here's what you're getting that they didn't:** ● All the Money Models content organized inside Skool for easy consumption. ● Exclusive training I filmed on how to use each business model with the platform. ● 90 days completely free to build your business. ● Then just $9/month instead of $99/month (which was the only option for 5 years) **This combination only exists during my book launch** - it ends Saturday 8/24 at 11:59pm PST. {Insert Link} (48hrs left before 7x free time disappears) Alex PS - I want to be clear - the $100M Money Models course and audiobook are both available for free - no optin or purchase necessary - on my site and on my podcast. Affiliates Launch

#1: Full List Blast

List	Anyone who was a $100M Leads affiliate excluding $100MM Affiliates
When	July 3rd
From	Alex Hormozi
Subject #1:	Free goodies

Subject #2:	Win a day with Alex Hormozi (free)
Email copy:	~32,000 - that's how many people signed up to **win absurd prizes**, get behind the scenes play by plays of the launch (think top performers, numbers, ads, etc) and bring friends last book launch. And those 32,000 people brought 130,000+ people with them (!). So…we want to give even crazier business centric prizes for anyone who wants to invite their: slack group, team, friend group, online community, email list, organic following, or just the people they know…to the launch. It's pretty simple: you just give them a link to register for free. And when they do, **you get credit for it.** But - so it's not weird - I made the prizes things that benefit you and them. That way it's more like "let's all chip in together to get this thing" rather than "do me a favor." If you want to bring friends to the launch, or know people that were planning on coming anyways, register here to win prizes + get exclusive content just for referring them*. **Here's the referral link sign up:** **https://refer.acq.com** PS - **Just getting 10 people to opt in gets you 3 amazing prizes.** So it's not hard to win. PPS - Anyone who signs up to refer a friend gets the play by play of how the launch is going, the numbers, the winners, all the nitty gritty marketer stuff if you're into that. Tap here to find out what the prizes are + see the play by play:

#2: Full List Blast (2nd Time)

List	Anyone who was a $100M Leads affiliate excluding $100MM Affiliates
When	July 7th
From Name	Alex Hormozi
Subject #1:	Free Audiobook + Book Launch Event…
Email copy:	Thousands of people have registered to win prizes just for bringing friends. Here's why**: the prizes are sick** + many of them were going to come with friends, tell their audiences or teams to come anyways. So you might as well get more awesome stuff. Here's a sneak peak at just some of the prizes… • All the behind the scenes breakdowns of how the launch is going: winners, the best content & ads, the numbers, as we countdown to the big day **(anyone who registers to refer gets this for free).** • 70 Profit Tactics Audiobook (these are sick) • Chance to win one of the 50 spots at my headquarters for a day here in Vegas with me answering whatever questions you want*. • Recording of that day (no matter if you get picked or not).

	…and 2,3,4 are just the prizes for getting 10 humans to register. If you're in the top 50 or top 10…the prizes get WAY better. Click here to refer friends and see the rest of the prizes. From Name	Alex Hormozi
Subject #1:	Because you referred friends last time…
Email copy:	You referred friends to the $100M Leads Book Launch. And if you did it last time for last time's prizes… you're going to sh*t your pants for the prizes this year. In short, I'm trying to break records and pulling out all the stops (more on that later). You can register to refer friends here and get your custom link. Like last time, I made the prizes good for you AND your audience, so it's not them doing a favor for you - but instead - you chipping in with your friends to get even more free amazing prizes.

So what's #3? The private affiliate blackbook contains everything you need to make referring friends fast, easy, and effective: ● The text/slack messages you can send your friends to invite them ● The posts you can model to invite your audience ● The email sequence you can use to send to your list ● The ads we already know work/convert so you can use them to get ahead.

#1: Your first goodie (for affiliates only)

📅 Date	First email after affiliates register to become $100M Money Models Affiliate
From Name	
Subject line:	Your 1st goodie (for affiliates only)

Email copy:	Mozination - Alex here. If you're seeing this - it's because you've signed up to become an affiliate for the 100M Money Models Live Event. (I want to reward that decision, as you'll see). But before we get to that…**Thank you.** Whether: • You're competing for the private **1-on-1 Podcast in-person** w/ me…PLUS a quiet private dinner with Leila and I (& the other top 9 affiliates). • You wanted a **day here at our HQ** in Vegas with the other top affiliates in the world. • You wanted all the **behind the scenes breakdowns** of how the launch is going: winners, the best content & ads, the numbers, etc. • Or **you just wanted to help** out and spread the word. You are my kind of people. And I appreciate you more than I can say in an email. I'm that much more excited for what I'm going to give you on the 16th of August. Not only that - I've got something for you right now in this email. Here is your first goodie: The Acquisition.com Affiliate Black Book

	Inside are details about the event. That *no one* currently has. Feel free to share it as a bonus if someone uses your link. -You can give it to your audience (if it would serve your community). -You can also pair it with any kind of exclusive bonus you want to give your own community. To incentivize them to use your link. -Or just keep it for yourself. Everything in there is now yours to use how you want. I trust you guys. Finally - just so you know what to expect: Every week while you're an affiliate you'll be getting two exclusive emails. One will be like this - you'll get **something cool**. Or a heads-up before anyone else. (We have two goodies we want to give to you next week.) Two - provided you've referred ***at least*** one person - you'll get an automated email with an update on how many people you've signed-up. (This is something many of you have asked for). You can always check the amount of referrals you have by signing in here >>> https://affiliate.acquisition.com/login You're in good hands. The team and I have got your back. Alex FYI - The fact you are seeing this email means you're helping me accomplish my mission: making real business education accessible to everyone. And that means a lot to me.

	PS Reminder: 1) The **top 10 referrers** who get the most guests to show up to the event, get a private 30min 1-1 fireside chat with me for your audience. This way clicking your link actually benefits them - so you don't use up any goodwill. ;) 2) **Anyone who gets 10 people or more** to show up to the event gets a bonus audiobook of 70 Profit Tactics not being published. That way, even if you're not in the top ten you can still get something cool plus some extra goodies.

#2: Unlocked: New ads before they go live (for Affiliates only)

From Name	
📅 Date	July, 19th
Subject line:	Unlocked: New ads (for affiliates only)
Email copy:	—> **This folder is for you and other referrers only.** **Please don't forward.** Mozination - I want to give you access to some of our new ads before they go live. The reason why is because you've signed up to become an affiliate for 100M Money Models. And I don't take that decision lightly. I asked my team to put together a collection of resources for you ahead of the new book launch on the 16th of August. We thought giving you private access to some of our ads before they go live would be cool. If you're interested, see below. This folder is for you. It is yours to use as you want. I know running ads can be intimidating for many. I'm not asking you to do the same. (But if you want, feel free to have a go yourself.) The cool thing I wanted to draw your attention to -

	According to some referrers/affiliates, compared to their normal campaigns… their cost per click for the book is WILDLY lower! *[REPLACE WITH EXAMPLE OF TOP AD / COSTS / ETC IF POSSIBLE]* **Brand >** I hope you find value in the private content. As the countdown continues, we will add more goodies inside for you. I'm blown away by everyone's support. Thank you for helping us make real business education accessible to everyone. Means more to me than I can say. Alex

As a reminder: The **top 10 referrers** who get the most guests to show up at the event, get a private fireside chat with me in person for your audience (or yourself) + a day with the other top 99 affiliates in the world + a private dinner with Leila and I (with the other 9 top referrers).* Here are the *current* rankings - **Number 1:** **Number 2:** **Number 3:** **Number 4:** **Number 5:** **Number 6:** **Number 7:** **Number 8:** **Number 9:** **Number 10:** Take a look at the names above. If you want a top-ten spot, this is your *current* competition. Good luck. You guys are incredible. (and super competitive) Once again, thank you for helping us make real business available to everyone. Thank you all for choosing to help promote the new book. I know you didn't have to. It's 100% appreciated. Alex.

	PS - For anyone who still needs to get 10 people to unlock the 70 Profit Tactics Audiobook + full recording of the affiliate day + chance to win a day out.* Here's some of what the top ten affiliates are doing to get their stats: They have: • Created Youtube videos • Posted $100M Money Models Memes • Shared TikToks • Run Ads • Sent emails to their list • Posted in their groups • **Formed partnerships to combine resources.** I know someone who was even trying to get a billboard. (I did say you guys are super competitive.) All of the top ten have one thing in common: **preparation** They came with a plan, and they are executing the plan. It's the second principle of the new book. **Guiding Principles** "Risk comes from not knowing what you're doing." - Warren Buffett "More important than the will to win, is the will to prepare." - Charlie Munger *See Terms & Conditions Here

#5: One more ‘big reveal’ (for affiliates only)

📅 Date	August 14th
Subject line:	One more ‘big reveal’ (for affiliates only)
Email copy:	Mozination - With 2 days left to the launch, as of right now you only need: {{XXXX}} to get in the top 10 {{XXXX}} to get in the top 50 And you only need 10… to get the 3 prizes (chance to a win a day at our HQ*, Book Launch recording, and the 70 Profit Tactics Audiobook). Good news: I’m giving away a lot of stuff on Saturday. And one, is extremely valuable. Bad news: I only have limited amounts (because they’re physical). Good news: If you’re on live, you will probably be able to get one. And if you email your audience immediately after - they will too. **Action item:** I’d let your audience know that there’s gonna be something at the very end & that you’ll be emailing the links to them the moment the event is over. So they can have exclusive access.

	In fact - I'm going to send you an email right before my presentation is over so you can get a jump on it for your audience. Alex. PS - This is **ON TOP OF** my multi-year secret project. I know. Lots of goodies. But…only for people who show up because I will a) run out b) only give them to people there live with me. PPS - I noticed a couple of people stuck below 10 referrals to get the prizes. I know for some 10 referrals might sound like a lot. But you can do it. Last week, I saw someone get 16 referrals in an afternoon by posting his link in a company Slack Channel. Others have texted 10 friends - said it took 5 min. Here are some of the simple ways people are unlocking it: ● Posting a story on IG ● Creating a YouTube video around the 100M live event with their link in the description. ● Posting on LinkedIn (with a reason why someone should sign up) ● Posting in communities / groups to see who's interested With a single post in your company Slack Channel, a share on LinkedIn, or a tweet about how excited you are, you could unlock the 3 bonuses (recording, chance to come out onsite, audiobook) in an afternoon. Try it out today.

	Tomorrow you can see how well it's done when you get your total enrollments email. (You need to refer one person to unlock it.) Here is the link to the Affiliate Blackbook Again.
